

BRITANNIA PRIMARY SCHOOL LUNCH MENU

Welcome to the lunchtime menu at Britannia Primary School. We pride ourselves in healthy lunches and use the best quality food we can. From buying all our fresh meat from a local Butcher and reducing all sugar & fat in all our desserts. We do not add salt to our cooking and use seasonal vegetables & herbs as much as possible. We offer jacket potatoes every day with a choice of fillings and children have a choice of a Cool lunch or Hot lunch. Finally, we offer meals for children with allergies, vegetarian, pescetarian, vegans and religious preference.

We change the menu on a termly basis and if you or your child have any suggestions/ issues to improve or menu choices then please email me at Britannia.
