Isle of Wight Residential Trip
If your child is interested in going on the Isle of Wight residential in May, please keep a look out over the next couple of weeks for an email with details for how to sign-up!

Mobile Phones

Please note that we strongly recommend that children do not bring mobile phones to school. We maintain a strict mobile phone-free environment for pupils to support their learning and wellbeing. Further information can be found in our [Pupil Mobile Phone Policy](#), available on the school website.

Year 6 Autumn Newsletter 2026

Dear Year 6 Parents and Carers,

Welcome to the new academic year! It has been wonderful to see how well the children have settled into their new classes; they have returned with enthusiasm, maturity and a positive attitude. We have been recapping our school's 4Rs, and it has been fantastic to see them already demonstrating these values through their learning, behaviour and interactions with others.

Year 6 is an exciting and important year in your child's education. As the oldest pupils in the school, they have a unique opportunity to be positive role models for younger children and to make the most of the many experiences and responsibilities that their final year at primary school brings. I very much look forward to getting to know all of our Year 6 pupils better over the coming weeks.

Year 6 offers many exciting opportunities throughout the year, including the Isle of Wight residential, Christmas Enterprise, the end-of-year production, educational visits, and a range of sporting teams and events, to name just a few. I hope your child enjoys all that Year 6 has to offer and has a happy, successful and memorable first term.

If you have any questions or concerns, please do not hesitate to contact your child's class teacher or myself. We will be very happy to help.

Mrs H Jordan (UKS2 Phase Leader and Assistant Principal)

Learning at Home

Homework

Year 6 homework will be set weekly. Please see the separate upcoming homework email for information about **Spelling Shed, Atom Learning** and homework clubs.

Additional Online Resources

In Year 6, children still have access to a range of valuable online resources that they can use at home, such as **Times Table Rock Stars** and **Boom Reader** also continues this year and we would encourage reading at home at least three times per week. 10 signatures on your child's Boom Reader account = 1 merit!

Thank you for your continued support with your child's learning at home!
