Stickers towards a 'Golden hour of fun' for your class between now (W.B. 9th September 2024) until the end of summer term next year, 2024. **The aim is to achieve above 96.5% on a class to gain a sticker.** 4 stickers are needed for a 'Golden hour' of fun - chosen by you. If you manage to get 4 stickers, the next time you'll have to achieve 5, then 6 and so on (makes it more of a challenge for the classes with good attendance).
